Dear Sir/Madam,

I am writing to express my interest in the Data Warehouse Specialist position at PANDORA. With my strong background in IT, and experience in data management and business intelligence, I am confident in my ability to excel in this role.

I have 2 years of experience in the field, where I have developed a deep understanding of data models and the importance of ensuring that data is up-to-date and accurate. My experience includes designing and developing BI reports and dashboards and validating underlying data to assure its consistency. I have a strong technical background, including proficiency in SQL Database, Data Modelling, business intelligence Front End Tools, SQL Reporting Services, and SQL Analysis Services.

I have a Bachelor's degree in Computer Engineering and am experienced in working with ERP systems and software design and development. I also have excellent interpersonal and communication skills, including a good command of English.

I am excited about the opportunity to join a company with a reputation for creating high-quality and affordable jewelry sold in over 100 countries. I believe that my skills and experience make me a strong fit for the role and that I would be able to contribute to the success of the company.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications in more detail.

Sincerely,  
Chakkrit Jongkrajak
